

Goals & Self-Assessment Tool (Question Stage)

Tool 1 for First Meeting:

In this initial meeting define the goals and purpose for doing this survey and data inquiry process. Next, take time to do some baseline reflection and assessment of your team.

GOALS and PURPOSE

How would you define the goals and purpose of this survey?

How can this survey data be used to improve family engagement in your school, district, or agency?

SELF-ASSESSMENT

What are you currently doing to support parent and family knowledge and confidence?

What are you currently doing to create a welcoming and culturally responsive climate?

What are you currently doing to ensure that parents and families are in positions of decision making and influence?

Who is at this meeting? To what extent do those at the meeting represent the cultural, racial, special needs, and other identities of students and families in the school?
